4 c) The several amounts named herein, or so much thereof as shall be  
5 sufficient to accomplish the purpose designated, being the undisbursed  
6 and/or unexpended balances of the prior year's appropriations, are here-  
7 by reappropriated from the same funds and made available for the same

10 this chapter are shown using abbreviated text, with three leader dots  
11 (an ellipsis) followed by three spaces (... ) used to indicate where  
12 existing law that is being continued is not shown. However, unless a  
13 change is clearly indicated by the use of brackets [-] for deletions and  
14 underscores for additions, the purposes, amounts, funding source and all  
15 other aspects pertinent to each item of appropriation shall be as last  
16 appropriated.

17 For the purpose of complying with the state finance law, the year,  
18 chapter and section of the last act reappropriating a former original  
19 appropriation or any part thereof is, unless otherwise indicated, chap-  
20 ter 53, section 1, of the laws of 2022.

24 audit and control, the chairperson of the senate finance committee and  
25 the chairperson of the assembly ways and means committee.

26 e) Notwithstanding any provision of law to the contrary, for purposes

35 an equivalent amount for goods or services, including but not limited to

7 chapter 576 of the laws of 1974 and provided further that such direction  
8 shall be made in writing by the director of the budget. If the director

17 such entitlement shall be reduced commensurate with reductions in  
18 payments made in accordance with this part.

1 of applicable federal title IV-E claims  
2 made by that district for the relevant

4 applicable statewide title IV-E claims.  
5 The amount of the offset against each  
6 district will be adjusted, if necessary,  
7 upon completion of the disallowance allo-  
8 cation process. The final allocation of  
9 the amount of any federal disallowance  
10 resulting from a title IV-E secondary  
11 eligibility review shall be allocated  
12 among the districts so that each district  
13 shall be responsible for the amount  
14 attributable to each of the district's  
15 children or cases that are determined by  
16 the federal review to be unallowable. Each  
17 district shall also be responsible for a  
18 portion of the federal extrapolated disal-  
19 lowance amount based on the relative error  
20 rate for the district. The city of New  
21 York's error rate will be based on the  
22 federal sample and federal statistics. For  
23 all social services districts other than  
24 the city of New York, the error rate will  
25 be based on a review conducted by the  
26 district of a sample of children and/or  
27 cases determined by the office of children  
28 and family services and a re-review of a  
29 sub-sample by the office of those children  
30 and/or cases determined by the office. The  
31 office of children and family services  
32 will determine what is reasonable in  
33 establishing the size of the sample and  
34 sub-sample for each district. The office  
35 of children and family services shall  
36 notify each social services district of  
37 the sample of children and/or cases from  
38 the federal audit period that the social  
39 services district must review. Any child  
40 or case from the social services district

42 will automatically be included in the

44 and the determination made at the federal  
45 review regarding that child or case will  
46 govern for the purposes of the social  
47 services district's review. The social  
48 services district must complete and submit

1 rate for the district will be based on the  
2 findings of the district's review and the  
3 office of children and family services'  
4 re-review. If a social services district  
5 does not complete its review within 60  
6 days of receiving the sample from the  
7 office of children and family services,  
8 the office of children and family services  
9 shall assign an error rate to the social  
10 services district based on the relative  
11 percentage of the district's applicable  
12 title IV-E claims for the relevant period  
13 as compared to applicable statewide title  
14 IV-E claims for that period and other  
15 circumstances that the office of children  
16 and family services may consider in order  
17 to allocate 100 percent of the federal  
18 disallowance. The office of children and  
19 family services shall apply each social  
20 services district's error rate to the  
21 total amount of the district's applicable  
22 title IV-E claims including associated  
23 administrative expenses. The resulting  
24 dollar amounts for all of the social  
25 services districts will be summed to  
26 derive the total amount of title IV-E  
27 claims deemed to be in error statewide. To  
28 establish a disallowance percentage for  
29 each social services district, the amount  
30 of the district's title IV-E claims deemed  
31 to be in error will be divided by the  
32 amount of statewide title IV-E claims  
33 deemed to be in error. The resulting  
34 disallowance percentage for each district  
35 will be applied to the entire title IV-E  
36 extrapolated disallowance calculated by  
37 the federal review to determine the amount  
38 of the extrapolated disallowance for which  
39 the district is responsible. Each district  
40 will be credited for the amount already  
41 disallowed for any individual children or  
42 cases found to be in error during the

8 districts by the office according to the allocation plan developed  
9 by the office and submitted to the director of the budget for

30 law, each district's claims submitted under the state block grant  
31 for child care will be processed in a manner that maximizes the  
32 availability of federal funds and ensures that the district meets  
33 its maintenance of effort requirement in each applicable federal  
34 fiscal year. Funds appropriated herein shall be subject to the  
35 amount awarded in federal grant funding.

1 available for tuition expenditures for foster children, including  
2 persons in need of supervision and adjudicated juvenile delinquents,  
3 made by a social services district located within a city having a  
4 population of one million or more.

5 Notwithstanding any other provision of law, a portion of the funds are  
6 available to reimburse social services districts for the change in  
7 the maximum state aid rates established by the office of children  
8 and family services for the 2022-23 rate year pursuant to section  
9 398-a of the social services law and sections 4003 and 4405 of the  
10 education law to reflect the continuation of the cost of living  
11 adjustments that became effective April 1, 2008 for payments made to  
12 foster parents and for salary and fringe benefit costs and other  
13 critical nonpersonal services costs for foster care programs as  
14 determined by the office. Social services districts must adjust the  
15 amount of payments made for care provided by congregate care and  
16 foster boarding home programs and to foster parents to reflect the  
17 cost of living adjustments in the manner specified by the office.  
18 Each authorized agency operating a congregate care or foster board-  
19 ing home program in New York state for which the office sets a maxi-  
20 mum state aid rate pursuant to section 398-a of the social services  
21 law or section 4003 or 4405 of the education law shall submit, at  
22 the time and in a manner to be determined by the office, a written  
23 certification, attesting that the funds received for the continua-  
24 tion of the cost of living adjustment to the maximum state aid rate  
25 that became effective April 1, 2008 for that program will be or were  
26 used solely in accordance with the requirements of the cost of  
27 living adjustment established by the office.

28 Notwithstanding any inconsistent provision of law except a chapter of  
29 the laws of 2022 authorizing a 5.4 percent cost of living adjustment  
30 increase for the period commencing on April 1, 2022 and ending March  
31 31, 2023, the commissioner shall not apply any other cost of living  
32 adjustment for the purpose of establishing rates of payments,  
33 contracts or any other form of reimbursement.

34 Within the amounts appropriated herein, state reimbursement to each  
35 social services district for services identified herein that are  
36 otherwise reimbursable by the state from April 1, 2022 through March  
37 31, 2023 shall be limited to a district allocation, hereinafter  
38 referred to as the district's block grant allocation. Notwithstand-  
39 ing any other provision of law, such block grant allocation shall be  
40 based, in part, on each district's claims for such costs, adjusted  
41 by the applicable cost allocation methodology and net of any retro-  
42 active payments for the 12 month period ending June 30, 2021 that  
43 are submitted on or before January 3, 2022 and, in part, on such  
44 other factors as determined by the office of children and family

1 district during the next state fiscal year up to the amount remain-  
2 ing from the district's foster care block grant allocation, provided  
3 however, that any claims for such services during the next state  
4 fiscal year in excess of such amount shall be subject to 62 percent  
5 state reimbursement exclusive of any federal funds made available  
6 for such purposes, in accordance with directives of the department  
7 of family assistance and subject to the approval of the director of  
8 the budget. Any claims submitted by a social services district for  
9 reimbursement for a particular state fiscal year for which the  
10 social services district does not receive state or federal  
11 reimbursement during that state fiscal year may not be claimed  
12 against that district's block grant apportionment for the next state  
13 fiscal year.

14 The office of children and family services, with the approval of the  
15 director of the budget, may reduce a district's block grant allo-  
16 cation by the state share decrease related to federal retroactive  
17 reimbursement for such foster care services identified herein. The  
18 office, with the approval of the director of the budget, may reduce  
19 a district's block grant allocation by the state share of disallow-  
20 ances or sanctions taken against the district pursuant to the social  
21 services law or federal law.

22 Notwithstanding any other provision of law, the state shall not be  
23 responsible for reimbursing a social services district and a  
24 district shall not seek state reimbursement for any portion of any  
25 state disallowance or sanction taken against the social services  
26 district, or any federal disallowance attributable to final federal  
27 agency decisions or to settlement made, on or after July 1, 1995,  
28 when such disallowance or sanction results from the failure of the  
29 social services district to comply with federal or state require-  
30 ments, including, but not limited to, failure to document eligibil-  
31 ity for federal or state funds in the case record; provided, howev-  
32 er, if the office determines that any federal disallowance for  
33 services provided between January 1, 1999 and May 31, 1999 results  
34 solely from the late enactment of the state legislation implementing  
35 the federal adoption and safe families act, the state shall be sole-  
36 ly responsible for the full amount of the disallowance or sanction;  
37 provided, further, however, this provision shall be deemed to apply  
38 both prospectively and retroactively regardless of whether such  
39 sanctions or disallowances are for services provided or claims made  
40 prior to or after April 1, 2022.

41 Notwithstanding any other provision of law, any federal disallowance  
42 resulting from a federal title IV-E eligibility review or audit that  
43 uses extrapolated statistic techniques shall be passed along by the  
44 state to any and all social services districts that the office of  
45 children and family services has determined have not complied with  
46 the title IV-E eligibility requirements or have not taken the neces-  
47 sary actions to ensure compliance with such requirements including,  
48 but not limited to, failing to: assess and fully document all the  
49 criteria and have readily available all the necessary documents to

2 criteria; and fully implement the social services payment system on  
3 or before April 1, 2005 for all direct and voluntary agency foster  
4 care services.

5 Notwithstanding any law to the contrary, the office of children and  
6 family services shall impose on social services districts any federal  
7 disallowance issued against the state as a result of a federal  
8 title IV-E secondary eligibility review regardless of the date the  
9 children may have entered foster care, the date the eligibility or  
10 payment errors occurred, or the filing date of any federal claims  
11 for reimbursement; provided, however, that the state shall be  
12 responsible for the disallowed costs and expenditures related to the  
13 placement of children in a facility operated by the office of chil-  
14 dren and family services, which shall be determined in the same  
15 manner as the disallowed costs and expenditures for social services  
16 districts other than the city of New York. In order to reimburse the  
17 federal government for the full amount of any disallowance imposed  
18 on the state by the federal administration for children and families  
19 within the timeframes necessary to avoid any potential interest  
20 payments on such amount, the office of children and family services  
21 is authorized to immediately offset funds otherwise due to each  
22 district for a pro rata share of the total disallowed costs based on  
23 the percentage of applicable federal title IV-E claims made by that  
24 district for the relevant time period as compared to the total  
25 applicable statewide title IV-E claims. The amount of the offset  
26 against each district will be adjusted, if necessary, upon  
27 completion of the disallowance allocation process. The final allo-  
28 cation of the amount of any federal disallowance resulting from a  
29 title IV-E secondary eligibility review shall be allocated among the  
30 districts so that each district shall be responsible for the amount  
31 attributable to each of the district's children or cases that are  
32 determined by the federal review to be unallowable. Each district  
33 shall also be responsible for a portion of the federal extrapolated  
34 disallowance amount based on the relative error rate for the  
35 district. The city of New York's error rate will be based on the  
36 federal sample and federal statistics. For all social services  
37 districts other than the city of New York, the error rate will be  
38 based on a review conducted by the district of a sample of children  
39 and/or cases determined by the office of children and family  
40 services and a re-review of a sub-sample by the office of those  
41 children and/or cases determined by the office. The office of chil-  
42 dren and family services will determine what is reasonable in estab-  
43 lishing the size of the sample and sub-sample for each district. The  
44 office of children and family services shall notify each social  
45 services district of the sample of children and/or cases from the  
46 federal audit period that the social services district must review.  
47 Any child or case from the social services district that was  
48 included in the federal sample will automatically be included in the  
49 social services district's review sample and the determination made  
50 at the federal review regarding that child or case will govern for  
51 the purposes of the social services district's review. The social

7 the office of children and family services, the office of children  
8 and family services shall assign an error rate to the social  
9 services district based on the relative percentage of the district's  
10 applicable title IV-E claims for the relevant period as compared to  
11 applicable statewide title IV-E claims for that period and other  
12 circumstances that the office of children and family services may  
13 consider in order to allocate 100 percent of the federal disallow-  
14 ance. The office of children and family services shall apply each  
15 social services district's error rate to the total amount of the  
16 district's applicable title IV-E claims including associated admin-  
17 istrative expenses. The resulting dollar amounts for all of the  
18 social services districts will be summed to derive the total amount  
19 of title IV-E claims deemed to be in error statewide. To establish a  
20 disallowance percentage for each social services district, the  
21 amount of the district's title IV-E claims deemed to be in error  
22 will be divided by the amount of statewide title IV-E claims deemed  
23 to be in error. The resulting disallowance percentage for each  
24 district will be applied to the entire title IV-E extrapolated  
25 disallowance calculated by the federal review to determine the  
26 amount of the extrapolated disallowance for which the district is  
27 responsible. Each district will be credited for the amount already  
28 disallowed for any individual children or cases found to be in error  
29 during the federal review. The exclusive appeal rights for the  
30 review of the amount of the federal disallowance assigned to each  
31 social services district shall be pursuant to article 78 of the  
32 civil practice law and rules; provided, however, that in any such  
33 action all of the social services districts shall be joined as  
34 necessary parties and the venue of any such action shall be in Rens-  
35 selaer county. Any social services district that fails to complete  
36 its sample review in the required time frames shall have no right to  
37 appeal and shall not be a necessary party to any action brought by  
38 another social services district.

5 expected to become available, in the  
6 discretion of the commissioner, under the

10 state, to the extent practicable, and  
11 shall be made uniformly within a category  
12 of service, to the extent practicable,  
13 except where the commissioner determines  
14 that there are sufficient grounds for  
15 non-uniformity, including but not limited  
16 to: the extent to which specific catego-  
17 ries of services contributed to department  
18 of health medicaid state funds spending in  
19 excess of the limits specified herein; the

2 savings allocation adjustment subsequent  
3 to the provisions of notice and prior to  
4 implementation but needs to provide a new

30 exposure; or (iii) any other event or  
31 condition determined by the commissioner  
32 to constitute an imminent threat to public

33 aggregate limit specified herein for such  
34 period, the state medicaid director, in  
35 consultation with the director of the  
36 budget and the commissioner of health,

24 shall be made uniformly within a category  
25 of service, to the extent practicable,

27 that there are sufficient grounds for  
28 non-uniformity, including but not limited  
29 to: the extent to which specific catego-  
30 ries of services contributed to department  
31 of health medicaid state funds spending in  
32 excess of the limits specified herein; the  
33 need to maintain safety net services in  
34 underserved communities; or the potential  
35 benefits of pursuing innovative payment

9 to the chairs of the senate finance and  
10 the assembly ways and means committees at  
11 least 30 days before the date on which  
12 implementation is expected to begin.

13 (b) The commissioner may revise the medicaid  
14 savings allocation adjustment subsequent  
15 to the provisions of notice and prior to  
16 implementation but needs to provide a new  
17 notice pursuant to subparagraph (i) of  
18 this paragraph only if the commissioner  
19 determines, in his or her discretion, that  
20 such revisions materially alter the  
21 adjustment.

22 Notwithstanding the provisions of paragraphs  
23 (a) and (b) of this subdivision, the  
24 commissioner need not seek the input  
25 described in paragraph (a) of this subdivi-  
26 sion or provide notice pursuant to para-

28 discretion of the commissioner, expedited

31 necessary due to a public health emergen-  
32 cy.

37 for health care personnel in an area of  
38 the state; (ii) an event or condition that  
39 creates a widespread risk of exposure to a  
40 serious communicable disease, or the  
41 potential for such widespread risk of  
42 exposure; or (iii) any other event or  
43 condition determined by the commissioner  
44 to constitute an imminent threat to public  
45 health.

46 Nothing in this paragraph shall be deemed to  
47 prevent all or part of such medicaid

49 effect retroactively to the extent permit-  
50 ted by the federal centers for medicare

27 director of the budget to account for any  
28 changes in the New York state federal  
29 medical assistance percentage amount  
30 established pursuant to the federal social  
31 security act, increases in provider reven-  
32 ues, reductions in local social services  
33 district payments for medical assistance  
34 administration, minimum wage increases and

1 incurred both prior to and subsequent to  
2 such assessment for each such period, and  
3 if the director of the budget determines  
4 that such expenditures are expected to  
5 cause medicaid spending for such period to  
6 exceed the aggregate limit specified here-  
7 in for such period, the state medicaid  
8 director, in consultation with the direc-  
9 tor of the budget and the commissioner of  
10 health, shall develop a medicaid savings  
11 allocation adjustment to limit such spend-  
12 ing to the aggregate limit specified here-  
13 in for such period.

14 Such medicaid savings allocation adjustment  
15 shall be designed, to reduce the expendi-  
16 tures authorized by the appropriations  
17 herein in compliance with the following  
18 guidelines: (1) reductions shall be made  
19 in compliance with applicable federal law,  
20 including the provisions of the Patient  
21 Protection and Affordable Care Act, Public  
22 Law No. 111-148, and the Health Care and  
23 Education Reconciliation Act of 2010,  
24 Public Law No. 111-152 (collectively  
25 "Affordable Care Act") and any subsequent  
26 amendments thereto or regulations promul-  
27 gated thereunder; (2) reductions shall be  
28 made in a manner that complies with the  
29 state medicaid plan approved by the feder-  
30 al centers for medicare and medicaid  
31 services, provided, however, that the  
32 commissioner of health is authorized to  
33 submit any state plan amendment or seek  
34 other federal approval, including waiver  
35 authority, to implement the provisions of  
36 the medicaid savings allocation adjustment  
37 that meets the other criteria set forth  
38 herein; (3) reductions shall be made in a  
39 manner that maximizes federal financial  
40 participation, to the extent practicable,  
41 including any federal financial partic-  
42 ipation that is available or is reasonably  
43 expected to become available, in the  
44 discretion of the commissioner, under the  
45 Affordable Care Act; (4) reductions shall  
46 be made uniformly among categories of  
47 services and geographic regions of the  
48 state, to the extent practicable, and  
49 shall be made uniformly within a category  
50 of service, to the extent practicable,  
51 except where the commissioner determines  
52 that there are sufficient grounds for

1 non-uniformity, including but not limited  
2 to: the extent to which specific catego-  
3 ries of services contributed to department  
4 of health medicaid state funds spending in  
5 excess of the limits specified herein; the  
6 need to maintain safety net services in  
7 underserved communities; or the potential  
8 benefits of pursuing innovative payment  
9 models contemplated by the Affordable Care  
10 Act, in which case such grounds shall be  
11 set forth in the medicaid savings allo-  
12 cation adjustment; and (5) reductions  
13 shall be made in a manner that does not  
14 unnecessarily create administrative  
15 burdens to medicaid applicants and recipi-  
16 ents or providers.

17 The commissioner shall seek the input of the  
18 legislature, as well as organizations  
19 representing health care providers,  
20 consumers, businesses, workers, health  
21 insurers, and others with relevant exper-  
22 tise, in developing such medicaid savings  
23 allocation adjustment, to the extent that  
24 all or part of such adjustment, in the  
25 discretion of the commissioner, is likely  
26 to have a material impact on the overall  
27 medicaid program, particular categories of  
28 service or particular geographic regions  
29 of the state.

30 (a) The commissioner shall post the medicaid  
31 savings allocation adjustment on the  
32 department of health's website and shall  
33 provide written copies of such plan to the  
34 chairs of the senate finance and the  
35 assembly ways and means committees at  
36 least 30 days before the date on which  
37 implementation is expected to begin.

38 (b) The commissioner may revise the medicaid  
39 savings allocation adjustment subsequent  
40 to the provisions of notice and prior to  
41 implementation but needs to provide a new  
42 notice pursuant to subparagraph (i) of  
43 this paragraph only if the commissioner  
44 determines, in his or her discretion, that  
45 such revisions materially alter the plan.

46 Notwithstanding the provisions of paragraphs  
47 (a) and (b) of this subdivision, the  
48 commissioner need not seek the input  
49 described in paragraph (a) of this subdi-  
50 vision or provide notice pursuant to para-  
51 graph (b) of this subdivision if, in the  
52 discretion of the commissioner, expedited

2 caid savings allocation adjustment is  
3 necessary due to a public health emergen-  
4 cy.

5 For purposes of this section, a public

14 exposure; or (iii) any other event or  
15 condition determined by the commissioner  
16 to constitute an imminent threat to public  
17 health.

18 Nothing in this paragraph shall be deemed to  
19 prevent all or part of such medicaid  
20 savings allocation adjustment from taking  
21 effect retroactively to the extent permit-

23 and medicaid services.

24 In accordance with the medicaid savings

36 payments or rates of payment; modifying  
37 medicaid program benefits; seeking all  
38 necessary federal approvals, including,  
39 but not limited to waivers, waiver amend-  
40 ments; and suspending time frames for  
41 notice, approval or certification of rate  
42 requirements, notwithstanding any  
43 provision of law, rule or regulation to  
44 the contrary, including but not limited to  
45 sections 2807 and 3614 of the public  
46 health law, section 18 of chapter 2 of the  
47 laws of 1988, and 18 NYCRR 505.14(h).

48 The department of health shall prepare a  
49 quarterly report that sets forth: (a)  
50 known and projected department of health

 6 pursuant to subdivision 3 of section 23 of  
 7 the state finance law, including spending  
 8 increases or decreases due to: enrollment  
 9 fluctuations, rate changes, utilization  
 10 changes, MRT investments, and shift of  
 11 beneficiaries to managed care; and vari-  
 12 ations in offline medicaid payments; and  
 13 (b) the actions taken to implement any  
 14 medicaid savings allocation adjustment  
 15 implemented pursuant to subdivision (4) of  
 16 this section, including information  
 17 concerning the impact of such actions on  
 18 each category of service and each  
 19 geographic region of the state. Each such  
 20 quarterly report shall be provided to the  
 21 chairs of the senate finance and the  
 22 assembly ways and means committees and

1 the operational costs of the New York state medical indemnity fund,  
2 pursuant to chapter 59 of the laws of 2011, and state costs or  
3 savings from the essential plan program. Such projections may be  
4 adjusted by the director of the budget to account for increased or  
5 expedited department of health state funds medicaid expenditures as  
6 a result of a natural or other type of disaster, including a govern-  
7 mental declaration of emergency.

8 The director of the budget, in consultation with the commissioner of  
9 health, shall assess on a quarterly basis known and projected medi-  
10 caid expenditures by category of service and by geographic region,  
11 as determined by the commissioner of health, incurred both prior to  
12 and subsequent to such assessment for each such period, and if the  
13 director of the budget determines that such expenditures are  
14 expected to cause medicaid spending for such period to exceed the  
15 aggregate limit specified herein for such period, the state medicaid  
16 director, in consultation with the director of the budget and the  
17 commissioner of health, shall develop a medicaid savings allocation  
18 adjustment to limit such spending to the aggregate limit specified  
19 herein for such period.

20 Such medicaid savings allocation adjustment shall be designed, to  
21 reduce the expenditures authorized by the appropriations herein in  
22 compliance with the following guidelines: (1) reductions shall be  
23 made in compliance with applicable federal law, including the  
24 provisions of the Patient Protection and Affordable Care Act, Public  
25 Law No. 111-148, and the Health Care and Education Reconciliation  
26 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care  
27 Act") and any subsequent amendments thereto or regulations promul-  
28 gated thereunder; (2) reductions shall be made in a manner that  
29 complies with the state medicaid plan approved by the federal  
30 centers for medicare and medicaid services, provided, however, that  
31 the commissioner of health is authorized to submit any state plan  
32 amendment or seek other federal approval, including waiver authori-  
33 ty, to implement the provisions of the medicaid savings allocation  
34 adjustment that meets the other criteria set forth herein; (3)  
35 reductions shall be made in a manner that maximizes federal finan-  
36 cial participation, to the extent practicable, including any federal  
37 financial participation that is available or is reasonably expected  
38 to become available, in the discretion of the commissioner, under  
39 the Affordable Care Act; (4) reductions shall be made uniformly  
40 among categories of services and geographic regions of the state, to  
41 the extent practicable, and shall be made uniformly within a catego-  
42 ry of service, to the extent practicable, except where the commis-  
43 sioner determines that there are sufficient grounds for non-uniform-  
44 ity, including but not limited to: the extent to which specific  
45 categories of services contributed to department of health medicaid  
46 state funds spending in excess of the limits specified herein; the  
47 need to maintain safety net services in underserved communities; or  
48 the potential benefits of pursuing innovative payment models contem-

3 The commissioner shall seek the input of the legislature, as well as  
4 organizations representing health care providers, consumers, busi-  
5 nesses, workers, health insurers, and others with relevant exper-  
6 tise, in developing such medicaid savings allocation adjustment, to  
7 the extent that all or part of such adjustment, in the discretion of  
8 the commissioner, is likely to have a material impact on the overall

10 geographic regions of the state.

11 (a) The commissioner shall post the medicaid savings allocation  
12 adjustment on the department of health's website and shall provide

17 adjustment subsequent to the provisions of notice and prior to  
18 implementation but needs to provide a new notice pursuant to subpar-  
19 agraph (i) of this paragraph only if the commissioner determines, in

23 subdivision, the commissioner need not seek the input described in  
24 paragraph (a) of this subdivision or provide notice pursuant to

31 the immediate need for health care personnel in an area of the  
32 state; (ii) an event or condition that creates a widespread risk of  
33 exposure to a serious communicable disease, or the potential for  
34 such widespread risk of exposure; or (iii) any other event or condi-  
35 tion determined by the commissioner to constitute an imminent threat  
36 to public health.

37 Nothing in this paragraph shall be deemed to prevent all or part of  
38 such medicaid savings allocation adjustment from taking effect  
39 retroactively to the extent permitted by the federal centers for  
40 medicare and medicaid services.

41 In accordance with the medicaid savings allocation adjustment, the  
42 commissioner of the department of health shall reduce department of

19 through March 31, 2023, shall not exceed \$25,936,887,000 except as  
20 provided below and state share medicaid spending, in the aggregate,  
21 for the period April 1, 2023 through [~~March 31~~] September 15, 2024,

20 the extent practicable, and shall be made uniformly within a catego-  
21 ry of service, to the extent practicable, except where the commis-

39 medicaid program, particular categories of service or particular  
40 geographic regions of the state.

41 (a) The commissioner shall post the medicaid savings allocation

18 retroactively to the extent permitted by the federal centers for  
19 medicare and medicaid services.

28 medicaid program benefits; seeking all necessary federal approvals,  
29 including, but not limited to waivers, waiver amendments; and  
30 suspending time frames for notice, approval or certification of rate

40 disbursements in the enacted budget financial plan pursuant to  
41 subdivision 3 of section 23 of the state finance law, including

33 implementation but needs to provide a new notice pursuant to subparagraph  
34 (i) of this paragraph only if the commissioner determines, in his or  
35 her discretion, that such revisions materially alter the plan.
