

In partnership with

Individual & Family Dental and Vision Insurance Solutions LIG Association Health Program

We'll Help Members Find The Best Dental and Vision Insurance Plan In 4 Easy Steps!

Dental and Vision Insurance Coverage Tailored To Your Needs

Exclusive Member Benefit

The dental and vision plans offered through the LIG Association Health Program are an exclusive benefit for the membership of the Rural Housing Coalition of New York.

Comprehensive Dental Plans

There are three dental plans offered through Ametitas and include affordable options for individuals, couples and families.

Complete Vision Plans

There are two vision plans offered through Ametitas and include affordable options for individuals, couples and families.

Pricing and Coverage Options

Both plans offer affordable and comprehensive coverage options. Your licensed LIG agent will review these based on your own unique needs with no cost or obligation.

Provider Networks

You will have access to a national network of over 500,000 providers and your LIG agent will be able to search for providers in New York state and beyond .

The NEW Rural Housing Coalition of New York LIG Association Health Program will Launch on October 01,2023. All members will be able to access this exclusive member benefit by a link on the association's web site and via emails that will be sent to all members.
